

# **Welcome to the Local Chapter 252 Federal Managers Web Site.**

Our National Federal Manager's Association, based in Washington, D.C., is the oldest and largest professional association representing civilian managers and employees in the Federal Government. Our membership strives to promote and support programs advantageous to the Federal Civil Service.

Our Chapter conducts a training/luncheon meeting, the second Tuesday every two months at 11:30 p.m. in the Officer's Club. We would be honored to have you join us and see what we are all about. Normally, we have a guest speaker who gives a presentation for 20-30 minutes while we eat lunch.

I believe that all topics presented are of great importance, and essential to all Federal Employees. Should you have any questions, or if I may offer assistance, please contact me at (915) 568-4542. Thank you for your kind consideration of our invitation and interest of being one of us.

Sincerely,
